

## Extension of Departure Prohibition Period for Foreigners under Criminal Investigation

The Ministry of Justice announced that departure prohibition period for foreigners involved in crime will be extended as below:

	Until Now	Effective From Dec 2019
Under Criminal Investigation	10 days	1 month
Runaway Criminals	1 month	3 months

This is to prevent unnecessary waste of administrative work for investigative agencies requesting for suspension of departure repeatedly in a short period of time and to reinforce the investigation of foreigners involved in crimes.
